“Plastic Bags Collection, Disposal/ Recycling and Monitoring Activity”

Under umbrella of Activity Based Capacity Development Project, Pakistan Environmental Protection Agency is going to launch a campaign “As far as possible, Say No to Plastic bags”. The agency has planned “A few days activity of plastic bags collection, disposal/recycling and monitoring” as part of this campaign. The aim of the activity is to promote an efficient system of collection of plastic bags from pre-determined places in the cities and deposit at a centralized spot for effective disposal/ recycling. In view of this, services of NGOs/ organizations, who have devised efficient and workable system of plastic bags waste collection, disposal/ monitoring. The applicants will give presentation about how will they conduct this activity -demonstrating their waste collection, disposal/ recycling / monitoring technology. Applications must be submitted on 6th June 2007, by 11:00a.m. and will be opened on the same day at 11:30 am in presence of representatives of the bidding parties.
