Foreword

The National Directory of Environmental Consulting Firms aims at providing guidance to the individuals and organizations that may require services of environmental consulting firms to help them in their efforts to improve, protect and conserve environment. The directory has been prepared under the auspices of the Sub-program “Policy Coordination and Environmental Governance” of the National Environmental Action Plan – Support Program (NEAP-SP), an umbrella Program being executed by the Ministry of Environment to support realization of the National Environmental Action Plan.

I would like to take this opportunity to thank the representatives of the consulting firms who contributed to this directory by providing relevant information. I would also like to commend efforts of Dr. Murtaza Malik, Program Manger, Policy Coordination and Environmental Governance, NEAP-SP, who collected information from across the country and compiled this directory.

The directory will be updated regularly and consulting firms wishing to get their names included therein are requested to send relevant information to Dr. Murtaza Malik at murtazamalik01@yahoo.com. Comments/views regarding various aspects of the directory would also be appreciated.

(JAWED ALI KHAN)
