Foreword

The National Directory of Institutions Offering Specialized Programs on Environment in Pakistan aims at providing information to the potential students, individuals and organizations about institutions offering diploma, bachelor and master level programs in environmental sciences, environmental engineering and environmental studies. The directory has been prepared under the auspices of the Sub-program “Policy Coordination and Environmental Governance” of the National Environmental Action Plan – Support Program (NEAP-SP), an umbrella Program being executed by the Ministry of Environment to support realization of the National Environmental Action Plan.

I would like to take this opportunity to thank the representatives of the educational institutions who contributed to this directory by providing relevant information. I would also like to commend efforts of Dr. Murtaza Malik, Program Manger, Policy Coordination and Environmental Governance, NEAP-SP, who collected information from across the country and compiled this directory.

The directory will be updated regularly and educational institutions wishing to get their names included therein are requested to send relevant information to Dr. Murtaza Malik at murtazamalik01@yahoo.com. Comments/views regarding various aspects of the directory would also be appreciated.

(JAWED ALI KHAN)

Director General (Environment)/Sub-program Director-1, NEAP-SP,
